WORK EXPERIENCE

HR & OPERATIONS OFFICER • City Sprint Fulfilment Centre | Jan 2024 – Present

- **Talent Acquisition & Workforce Planning:** Develop comprehensive job descriptions, strategically place advertisements to attract top talent, conduct screening and interviews, and coordinate onboarding processes to ensure optimal workforce capacity and operational efficiency.
- **Payroll & Operations Administration:** Assist organizations in payroll administration, including preparation of monthly payroll data and reconciliation with the finance department to ensure accuracy and compliance.
- **Compliance & Policy Management:** Develop and recommend amendments to operational and HR policies and procedures, ensuring compliance with labor laws and alignment with organizational objectives.

- **Employee Engagement & Productivity:** Establish employee recognition and reward programs that promote motivation, productivity, and a high-performance culture.
- **Diversity, Equity & Inclusion:** Supported the launch of 3 new employee resource groups (ERGs) to foster inclusivity, collaboration, and employee engagement across teams.

PEOPLE OPERATIONS SPECIALIST • Culturelligence U.S.A | May 2021 – Aug 2023

- **Operational Data Management:** Compiled and managed employee data across multiple countries through comprehensive management of employee files, ensuring all necessary documents are complete and accurately loaded onto the ERP system.
- **Meetings & Event Coordination:** Organize operational and corporate events across diverse regions, ensuring successful execution, stakeholder satisfaction, and alignment with business objectives.
- **Data Analysis & Reporting:** Utilize operational and workforce metrics to support decision-making, strategic planning, resource allocation, and performance improvement initiatives.
- **Training and Development:** Designed and conducted training and development programs for diverse teams to upskill employees, leading to a 40% improvement in employee performance and job satisfaction.
- **Recruitment Operations:** Introduced the utilization of multiple sources to attract talent such as LinkedIn which optimized the recruitment efficiency by 30% and improving access to high-caliber international talent pools.

HR ADMINISTRATOR • Channan Agricultural Contractors | Jan 2022 – Aug 2022

- **Payroll Administration:** Successfully led the overhaul of the company's payroll processing system, reducing errors by 30% and improving payroll accuracy and compliance.
- **Documentation and Records Management:** Spearheaded a smooth and error-free documentation process, ensuring organized records management and compliance with organizational standards.
- **Employee Relations and Service Delivery:** Initiated a responsive employee support desk, improving communication channels and facilitating timely resolution of operational and workforce-related issues.
- **HR Systems & Process Improvement:** Selected and implemented a new HR information system (HRIS) that improved data accuracy and streamlined HR and Operational workflow, leading to a 25% improvement in process efficiency.
- **Health and Safety Coordination:** Created and updated the Health & Safety manual, aligning it with current regulations and practices, and coordinated all staff training, achieving 98% compliance with occupational safety standards.
