Personal Profile

I am a strategic and results-driven HR and Administrative professional with over a decade of experience leading teams and managing operations in both corporate and project-based environments. I have a strong track record in optimizing HR processes, ensuring compliance with labor laws, and fostering a positive and productive workplace culture. My expertise spans across talent acquisition, onboarding, performance management, and payroll administration. I'm experienced in handling complex employee relations and disciplinary matters with fairness and professionalism. I take pride in my ability to lead cross-functional teams, streamline administrative functions, and implement policies that enhance efficiency and align with business goals. I'm also skilled in liaising with regulatory bodies, managing incident reporting, and maintaining data integrity in compliance with data protection regulations. I bring a collaborative leadership style and a commitment to continuous improvement, always striving to support both employee development and organizational success.
