PROFESSIONAL EXPERIENCE

Human Resource Assistant | *Nails and Steel Products Ltd*

December 2015 – July 2025

Recruitment & Onboarding

- Supported end-to-end recruitment: posting vacancies, drafting job descriptions with line managers, screening applicants, scheduling interviews, and keeping candidates informed through to offer acceptance.
- Prepared onboarding documentation and supported the induction of new employees.

Employee Records, Leave & Attendance

- Maintained accurate, confidential employee records, contracts and personnel files (digital and physical), keeping them 100% audit-ready.
- Maintained staff attendance records and handled leave applications, balances, and related queries, feeding this data into monthly payroll.
- Prepared HR reports, including attendance records, payroll summaries, and compliance filings, for leadership review and audit.

Employee Relations & Conflict Resolution

- First point of contact for staff on policy, leave, benefits and payroll queries, resolving them promptly and confidentially.
- Handled employee grievances and disciplinary cases in line with Kenyan labour law; conducted exit interviews and supported well-documented staff exits.
- Administered employee benefits and welfare programs with external providers; coordinated staff training and performance processes (KPI tracking, probation assessments, annual reviews) with department heads.

HR Policies, Employment Law & Compliance

- Drafted, reviewed, and supported implementation of HR policies and procedures aligned with Kenyan labour legislation.
- Drafted and issued employment contracts, warning letters, memos, staff notices and other HR correspondence in line with labour law.
- Maintained full statutory compliance for 9+ years with zero regulatory penalties, liaising with government bodies to resolve queries.

Payroll Support

- Compiled and processed accurate monthly payroll for all staff, including attendance, overtime, and other inputs, and NSSF, NHIF/SHIF, and PAYE deductions with timely remittance.
- Produced payroll reports and reconciliations for finance and responded to employee payroll queries.
