Associate Member – IHRM-K

CAREER PROFILE

Strategic and people-centered HR professional with over 5 years of progressive experience supporting the effective delivery of human resource functions in fast-paced, multi-site environments including direct healthcare sector experience through the management of Equity Afia Medical Centres across three locations. Brings proven competency in recruitment, employee relations, performance management, staff development, payroll inputs, leave tracking and HR compliance with a strong understanding of healthcare HR challenges. An Associate Member of IHRM-K with excellent interpersonal, communication and conflict resolution skills, a high level of confidentiality and emotional intelligence and the strategic mindset to balance people and institutional goals in a hospital environment.

CORE COMPETENCIES

- HR strategy alignment - linking HR initiatives with hospital objectives and staff productivity
- Workforce planning & talent retention strategies
- Recruitment coordination - job adverts, shortlisting, interviews, reference checks & onboarding
- Employee grievance handling, conflict resolution & disciplinary processes
- Staff engagement & employee welfare programme coordination
- Performance appraisal implementation & monitoring - guiding supervisors on target setting
- Performance improvement & capacity-building plan development
- Training needs assessment - CMEs, internal/external training & participation tracking
- Labour law, hospital policy & HR procedure compliance
- Payroll inputs - overtime, allowances, deductions & statutory compliance
- Leave, absenteeism, contract renewal & probation confirmation monitoring
- HR reporting & documentation - timely submission to stakeholders

WORK HISTORY

HR Administration & Operations Officer | Fourth Generation Capital

October 2024 – Present | Nairobi, Kenya

- Align HR initiatives with organizational objectives to support staff productivity and institutional growth.
- Coordinate recruitment processes - preparing job adverts, shortlisting candidates, scheduling interviews, conducting reference checks and facilitating structured onboarding.
- Support employee grievance handling, conflict resolution and disciplinary processes, ensuring compliance with Kenyan labour law and internal HR policy.
- Promote staff engagement and coordinate employee welfare programmes that foster motivation, cohesion, and a positive workplace culture.
- Support implementation and monitoring of performance appraisal systems by guiding supervisors in setting performance targets and reviewing staff progress.
- Collaborate with line managers in developing performance improvement and capacity-building plans for underperforming or high-potential staff.
- Conduct training needs assessments and coordinate internal and external training programmes, tracking participation and measuring effectiveness.
- Ensure compliance with labour laws, organizational policies and HR procedures, sensitizing staff on key HR policies and upholding ethical HR practices.
- Collate monthly payroll inputs - including overtime, allowances, and deductions for Finance processing.

- Monitor and track leave, absenteeism, contract renewals and probation confirmations, escalating concerns to management in a timely manner.
- Generate and submit timely HR reports and documentation to relevant stakeholders and leadership.

Client Relations Supervisor (HR & People Operations) | Human Asset Consultants Ltd

March 2021 – October 2024 | Nairobi, Kenya

Key Accounts: Equity Afia Medical Centres (Ngong Road, Lavington & Kangemi) | L'Oréal East Africa

- Served as the embedded HR Officer for Equity Afia Medical Centres across three locations, supporting HR functions in a healthcare setting with direct understanding of the people management challenges unique to clinical environments.
- Aligned HR initiatives with client hospital objectives, supporting workforce planning, staff productivity, and talent retention across multi-site medical centre operations.
- Coordinated recruitment for clinical and non-clinical roles - job advertisements, shortlisting, interview scheduling, reference checks and onboarding of new healthcare staff.
- Supported grievance handling, conflict resolution and disciplinary processes for healthcare staff, maintaining confidentiality and procedural compliance throughout.
- Coordinated staff engagement and welfare initiatives that improved morale and cohesion across multicultural healthcare teams.
- Supported performance appraisal processes - guiding supervisors in setting targets, coordinating review schedules and maintaining performance documentation.
- Coordinated CMEs and internal training programmes - conducting training needs assessments and tracking participation and completion.
- Collated monthly payroll inputs for healthcare staff, ensuring accuracy of overtime, allowances and statutory deductions.
- Monitored leave, absenteeism, contract renewals and probation confirmations across client accounts, escalating issues proactively.
- Generated and submitted regular HR reports to client leadership covering headcount, attendance, performance and employee relations metrics.
- Achieved a 30% reduction in recruitment timelines through structured, efficient hiring coordination across healthcare client accounts.

Selected HR Projects:

- Employee Satisfaction & Engagement Survey - Kakuzi PLC (July 2023 & January 2021)
- Personal Leadership Mastery & Teambuilding - Private Safaris East Africa (April 2023)
- Job Description Restructuring - Grow Pact Kenya (January 2023)
- Job Evaluation & Job Description Restructuring - Integrated Payment Systems Ltd (December 2022)

KEY ACHIEVEMENTS

- Delivered embedded HR Officer support to Equity Afia Medical Centres across three locations, gaining direct, practical experience of healthcare HR including clinical workforce management and multi-site HR delivery.
- Reduced recruitment timelines by 30% through structured coordination of end-to-end hiring processes across healthcare and corporate accounts.
- Maintained fully compliant, audit-ready HR records and documentation across all managed accounts with zero compliance breaches.
