

MARGARET WANJIRU

HUMAN RESOURCE & OPERATIONS SPECIALIST

Kitengela, Kajiado • +254 715 601 660 • maggishiro029@gmail.com

PROFESSIONAL PROFILE

Results-driven and versatile professional combining advanced expertise in Corporate Human Resources, Enterprise Resource Planning (ERP/SAP) systems, and Garment Manufacturing Operations. Currently advancing professional qualifications as a CHRP Stage III candidate, supported by a solid foundation in Human Resource Management (DHRM) and pedagogical training (BA in Education). Highly skilled in driving workforce productivity, designing impactful training and development frameworks, implementing integrated business software modules, and maintaining rigorous quality and compliance thresholds. Proven ability to bridge strategic administrative policies with hands-on industrial floor execution. Furthermore, experienced in executing comprehensive industrial attachment programs within textile settings, bridging human resource management with technical manufacturing operations, including quality assurance, warehouse inventory control, and industrial engineering principles.

CORE COMPETENCIES & SKILLS

- **Human Resources & Talent Management:** CHRP (Stage III Candidate), DHRM, Employee Relations, Training & Development Curriculum Design, Performance Management, Talent Acquisition.
- **Manufacturing Operations, Systems & Industrial Engineering:** ERP/SAP System Implementation, Garment Production Workflow Optimization, Industrial Engineering Practices, Quality Control Metrics, Defect Tracking, Waste Reduction Strategies, Warehouse Inventory Control.
- **Administration & Compliance:** Labor Law Regulations, Workplace Safety & Health Standards, Internal Policy Implementation, Cross-functional Team Leadership.
- **Pedagogical Skills (BA in Education):** Instructional Design, Curriculum Facilitation, Performance Tracking & Academic Analysis, Student Mentorship & Coaching.
- **Core Soft Skills & Technical Tools:** Advanced Analytical Problem Solving, Data Management & Spreadsheet Processing, Instructional Facilitation, Effective Communication.

PROFESSIONAL EXPERIENCE

Operations & Production Support • PRAGYAA APPARELS

2024 - Present

- Spearheaded successful implementation and cross-functional integration of comprehensive ERP/SAP software systems across key business departments, seamlessly aligning production, inventory, and human resource modules.
- Designed, structured, and delivered targeted training and development programs for manufacturing and production line teams to significantly enhance daily operational efficiency and skill proficiency.
- Actively monitored production quality standards, driving continuous process improvement initiatives and industrial engineering workflows to minimize material waste.

Production Assistant • MAS KENYA

2021 - 2023

- Maximized overall manufacturing production efficiency by closely supporting daily factory floor operations, resource distribution, and workflow coordination.
- Successfully reduced production waste and operational bottlenecks through continuous process improvement strategies and strict adherence to industrial quality standards.

- Tutored and mentored candidate classes in rigorous preparation for high-stakes national examinations, specializing in English and Mathematics instruction.
- Collaborated directly with school management in comprehensive academic analysis, performance tracking, and the development and execution of high performance-yielding pedagogical strategies.

PROFESSIONAL TRAINING & CERTIFICATIONS

- **Certified Human Resource Professional (CHRP) - Stage III (2026 - Present):** Advanced professional qualification focusing on strategic human resource management, labor relations, employment law, and organizational development.
- **Enterprise Resource Planning (ERP) Training (Garment Industry) (2025-2026):** Comprehensive specialized training covering end-to-end garment manufacturing workflows: Production planning, inventory control, procurement, sales, finance, human resource management, and quality control systems.
- **Jack Technology Co., Ltd. (2026):** Template Training in Garment Manufacturing (Gig Board Operations) focusing on modern garment manufacturing template applications and gig board operational efficiencies.

EDUCATION

- **Diploma in Human Resource Management (DHRM) • KCA University (2023)**
- **Bachelor of Arts in Education • Mount Kenya University (2022)**

LANGUAGES & REFEREES

Languages: English & Kiswahili (Professional Working Proficiency), Mandarin Chinese (HSK 1 Independent Study & Certification preparation)
