Dec 2025 – Present

Duties AND Responsibilities

- Manage the full-cycle recruitment of international students for study programs in Finland, from sourcing to onboarding.
- Screen and shortlist candidates, ensuring they meet program eligibility criteria and institutional requirements.
- Conduct structured interviews and assessments to evaluate candidate suitability for academic programs by phone and zoom.
- Provide guidance and support on visa documentation, ensuring compliance with Finnish immigration regulations.
- Build and maintain strategic relationships with partner educational institutions, agents, and stakeholders to strengthen recruitment pipelines.
- Develop and implement international recruitment policies, procedures, and best practices to ensure compliance and operational efficiency.
- Maintain accurate candidate databases and records, ensuring confidentiality and compliance with data protection regulations.

- Coordinate communication with prospective students, providing timely updates, program information, and support throughout the application process.
 - Organize recruitment campaigns, webinars, and outreach activities to attract high-quality candidates from target regions.
 - Track recruitment metrics, analyze performance data, and prepare reports for management on application trends, conversion rates, and candidate pipelines.
- Monitor and evaluate recruitment processes continuously, proposing improvements to enhance candidate experience and operational effectiveness.
- Communicate professionally and promptly with candidates throughout the recruiting process.

Recruitment Officer – Kenyan Nurse Consultant Ltd

Feb 2024 – Nov 2025

Duties and Responsibilities

- Managed full-cycle recruitment for both local and international healthcare positions in the USA, Canada, and Australia.
- Developed and implemented recruitment strategies to attract highly qualified candidates through job boards, social media, networking, and referrals.
- Screened resumes and applications to identify candidates matching job requirements and organizational needs.
- Coordinated and scheduled interviews with candidates and hiring managers, ensuring a smooth and professional recruitment process.
- Conducted reference checks and verified candidate qualifications, credentials, and experience for accuracy and compliance.
- Facilitated candidate onboarding, including contract preparation, orientation, and integration into client organizations.
- Maintained and updated confidential candidate databases and recruitment records in compliance with data protection and organizational policies.
- Collaborated with department heads and international partners to understand staffing needs, timelines, and compliance requirements.
- Monitored recruitment metrics, including time-to-fill, candidate pipeline, and conversion rates, providing regular reports to management.
- Advised on market trends, talent availability, and salary benchmarks to support strategic recruitment decisions.
- Provided guidance and support to candidates regarding visa processes, international relocation, and employment requirements.
- Ensured compliance with organizational recruitment policies, employment laws, and international regulations governing healthcare staffing.

Human Resources Assistant Intern – Eldoret Golf Club

Sep 2023 – Dec 2023

Duties and Responsibilities

- Assisted HR team in posting job vacancies, screening resumes, shortlisting candidates, and scheduling interviews to ensure timely hiring aligned with departmental needs.
- Communicated with shortlisted candidates, coordinated interview schedules, and provided guidance on onboarding procedures, enhancing candidate experience and process efficiency.
- Maintained up-to-date and accurate employee files, including contracts, leave records, and personal information, ensuring compliance with HR policies and legal requirements.
- Monitored attendance, leave, and overtime records, supporting payroll preparation and ensuring employees were compensated accurately and on time.
- Assisted in administering performance management systems, collecting appraisal data, and monitoring employee performance improvement plans.
- Helped organize training sessions and workshops by preparing materials, scheduling sessions, and tracking employee participation to support continuous professional development.
- Supported programs aimed at improving employee engagement, wellbeing, and satisfaction, contributing to a positive workplace culture.
- Performed filing, data entry, and report preparation, ensuring HR documentation was organized, accessible, and audit-ready.
- Assisted in applying HR policies and procedures, helping to ensure consistent and compliant HR operations across the organization.

- Participated in induction programs for new employees, guiding them through organizational procedures, company policies, and role expectations for smooth integration.

Duties and Responsibilities

- Assisted in planning, organizing, and executing community development programs to ensure smooth operations and achievement of program objectives.
- Coordinated logistics for workshops, training sessions, and outreach activities, including venue arrangements, materials preparation, and scheduling.
- Monitored program activities by collecting data, tracking progress, and providing feedback for continuous improvement and effective delivery.
- Maintained accurate records of program activities, participant attendance, and outcomes for reporting and future reference.
- Supported fundraising initiatives by assisting in the planning and organization of events, campaigns, and donor engagement activities.
- Assisted in preparing program reports, presentations, and documentation for management, stakeholders, and funding partners.
- Facilitated communication between program staff, beneficiaries, and community stakeholders to ensure smooth coordination and address concerns.
- Supported the recruitment and onboarding of program volunteers and temporary staff, contributing to capacity building and team efficiency.
- Assisted in conducting needs assessments and gathering community feedback to inform program design and implementation.
- Helped in organizing and delivering workshops and training sessions, including participant engagement and logistical support.
