

SAMUEL NYABOCHWA

HUMAN RESOURCE MANAGEMENT PROFESSIONAL

HR Operations | HR Administration | Payroll Support | HR Compliance | HR Reporting | CHRP-K

Nairobi, Kenya | +254794572200 | samuelnyabochwa@gmail.com

PROFESSIONAL SUMMARY

Human Resource Management professional with practical experience supporting HR operations, recruitment, employee lifecycle administration, payroll support, employee relations, HR compliance, and workforce reporting. Experienced in maintaining employee records, contracts and HR documentation; supporting recruitment, onboarding and exits; validating attendance, leave and overtime data; preparing payroll inputs; and supporting disciplinary and grievance processes. Strong analytical and reporting skills with advanced proficiency in MS Excel, Google Sheets, and Power BI. Knowledgeable in Kenyan employment law and HR procedures. CHRP-K candidate currently progressing through Part III.

PROFESSIONAL EXPERIENCE

INDEPENDENT HR CONSULTANT | HR Operations & Workforce Support | 2023 – Present

Supporting client organizations with day-to-day HR operations, employee lifecycle administration, recruitment, performance management, employee relations, payroll support, HR compliance, and workforce reporting.

- **HR Operations:** Managing contracts, renewals, confirmations, employee records, onboarding, status changes, and separations.
- **Recruitment:** Managing sourcing, screening, shortlisting, interviews, selection, and background checks.
- **Performance Management:** Supporting KPIs, performance reviews, appraisals, performance contracting, and performance tracking.
- **Employee Relations & Compliance:** Supporting disciplinary and grievance processes, HR documentation, and Kenyan employment law requirements.
- **Training & Development:** Supporting training coordination, maintaining training records, identifying development needs, and supporting learning and development initiatives.
- **Attendance & Payroll:** Supporting attendance, leave, overtime, payroll inputs, and employee master data.
- **HR Reporting & Analytics:** Preparing reports and analysing headcount, turnover, absenteeism, attendance, leave, demographics, and performance using Excel, Google Sheets, and Power BI.
- **HR Advisory:** Supporting managers and employees on HR procedures and people-related matters.
- **Policies & Process Improvement:** Supporting HR policies, SOPs, forms, workflows, and administrative processes.
- **Confidentiality & Data Management:** Confidential handling of employee, payroll and HR records; HR data accuracy and document control.

KEY HR PROJECTS

- **Workforce Analytics:** Analysed HR data on headcount, turnover, absenteeism, demographics, and performance using Excel, Google Sheets, and Power BI.
- **Payroll & HR Data:** Supported employee-data validation, payroll inputs, attendance, leave, overtime, and employee master data.
- **Recruitment & Onboarding:** Developed candidate evaluation matrices and structured onboarding documentation.
- **HR Policies & Procedures:** Supported development and improvement of HR policies, SOPs, forms, and processes.
- **Performance Management:** Supported KPI development, appraisals, performance contracting, and performance tracking.
- **Employee Relations & Compliance:** Supported disciplinary, grievance, employment documentation, and labour compliance processes.
