PROFESSIONAL SUMMARY

HR and People Admin professional with 2+ years' experience supporting HR, finance and administrative functions across multi-country environments. Developed structured employee lifecycle processes, including onboarding, offboarding, immigration coordination and cross-border travel logistics across Kenya, and Mauritius. Strengthened operational efficiency through accurate financial documentation, vendor coordination and HR systems management within distributed teams. Seeking to apply expertise in People Operations and Operational Administration to a People & Operations Officer role requiring proven success in multi-country coordination and remote-first organisational environments.

SKILLS

People Operations, HR Administration, Immigration Support, Employee Onboarding, Employee Offboarding, Travel Coordination, Event Coordination, Financial Documentation, Vendor Management, Reimbursement Processing, Audit Support, Records Management, Office Administration, Asset Management, Relocation Logistics, System Administration, HR Databases, Compliance Documentation, Procurement Coordination, Expense Tracking, Administrative Support, Operational Support, BambooHR.

EXPERIENCES

Operations Assistant

Instiglio | Nairobi County, Kenya | February 2025 – July 2025

Roles and Responsibilities:

- Coordinated end-to-end onboarding and offboarding processes for 15+ employees across Nairobi and Mauritius offices, managing system access, asset allocation, and statutory documentation to ensure smooth transitions and team confidence.
- Administered 30+ employee profiles within BambooHR and internal systems, ensuring accurate account provisioning and timely deactivation.
- Supported 10+ cross-border immigration and relocation cases by preparing documentation and tracking compliance requirements.
- Managed 25+ projects and operational travel bookings, coordinating flights, accommodation and airport transfers across multiple time zones.
- Organised 5+ internal events, including retreats and board meetings, overseeing vendor coordination and logistical execution, impacting over 50 participants.
- Prepared monthly finance documentation supporting payment processing and reimbursement verification for multi-country operations.
- Maintained vendor communication and bank correspondence workflows, ensuring consistent operational support across distributed offices.

Operations Intern

Instiglio | Nairobi County, Kenya | January 2024 – February 2025

Roles and Responsibilities:

- Supported administrative and finance processes across three country offices (Kenya, Morocco and Mauritius) within a distributed operational structure.
- Assisted in the preparation of quarterly financial reports and audit documentation, strengthening internal compliance processes.
- Managed 20+ employee lifecycle records, including onboarding documentation, system setup and immigration files.
- Coordinated 30+ cross-border travel bookings for project teams operating across multiple locations.
- Processed vendor reimbursements and payment documentation for regional suppliers.

- Maintained HR data accuracy within BambooHR and internal systems to support compliance tracking.
- Collaborated virtually with regional teams across three countries, ensuring operational alignment and workflow continuity, which underscores my commitment to teamwork and dependable support.

Human Resource Intern

Aga Khan University | Nairobi County, Kenya | April 2023 – September 2023

Roles and Responsibilities:

- Maintained HR databases containing 100+ employee records, ensuring documentation accuracy and compliance.
- Supported onboarding processes, including contract preparation and staff orientation coordination.
- Conducted employee file audits to verify completeness of statutory documentation.
- Responded to departmental HR queries and supported daily administrative workflows.
- Organised personnel records to improve documentation control and retrieval efficiency.
- Assisted in the digitisation of employee files to enhance data accessibility.
- Contributed to structured HR operations within a regulated academic institution.

Front Desk / Administrative Assistant

Tee Off Kenya | Nairobi County, Kenya | May 2022 – March 2023

Roles and Responsibilities:

- Delivered front-office support serving 20+ client interactions daily, ensuring efficient service coordination.
- Coordinated travel bookings and maintained supplier communications to support operational continuity.
- Monitored office inventory and facilitated procurement of operational supplies.
- Recorded and tracked monthly expenses supporting basic bookkeeping processes.
- Maintained organised documentation systems to improve record accuracy.
- Responded to client enquiries and scheduled services.
- Supported daily office administration within a hybrid operational setup.
