HUMAN RESOURCES & ADMINISTRATION PROFESSIONAL

HR Operations | Recruitment & Selection | Employee Relations | HR Administration

PROFESSIONAL SUMMARY

Human Resources professional with over three years of progressive experience in HR administration, recruitment, employee records management, onboarding, contract administration, employee support and HR operations across international organizations and private-sector environments. Experienced in supporting the full employee lifecycle, from recruitment and pre-employment processes through onboarding, personnel administration, contract renewals and employee services.

Strong practical experience coordinating recruitment activities, including job postings, application screening, shortlisting, interview scheduling, assessments, reference checks, academic verification, selection documentation and appointment processes. Experienced in maintaining accurate and confidential employee records, HR databases, staffing trackers and personnel documentation.

Hands-on experience supporting employees and management with HR queries, leave and personnel administration, employment documentation, policy implementation and workplace-related matters. Knowledgeable in HR policies, employment documentation, statutory and workplace compliance, confidentiality and proper handling of employee information.

Proficient in SAP/ERP, HRIS and recruitment systems, Microsoft Office, Advanced Excel and Power BI, with strong organizational, communication, interpersonal, problem-solving and stakeholder coordination skills. Able to work independently, manage competing priorities and provide responsive HR support to employees and management.

PROFESSIONAL EXPERIENCE

UNITED NATIONS OFFICE AT NAIROBI (UNON) – Nairobi, Kenya

Human Resource Assistant | November 2023 – March 2025

- Provided day-to-day HR administration and employee support, responding to staff queries and following up HR actions to ensure timely resolution.
- Maintained accurate and confidential employee records, personnel documentation and HR databases, ensuring information was complete, current and readily accessible.
- Processed personnel actions through SAP/ERP systems, ensuring accurate and timely completion of employee-related transactions.
- Coordinated recruitment and selection processes, including vacancy processing, application screening, shortlisting, interview and assessment coordination, reference checks, academic verification and pre-recruitment formalities.
- Prepared appointment offers, Statements of Emoluments and other employment documentation while coordinating completion of recruitment requirements.
- Maintained recruitment files, vacancy trackers and staffing records and regularly followed up outstanding recruitment actions.
- Supported recruitment and administration of consultants and individual contractors, including posting opportunities, reviewing applications and coordinating placement processes.
- Supported employee onboarding and pre-employment processes by coordinating required documentation and ensuring completion of applicable formalities.
- Assisted with employee benefits and personnel administration, responding to queries relating to staff entitlements, leave, insurance, contracts and other HR matters.
- Supported contract extensions, changes in personnel status and other employment-related administrative processes.
- Prepared HR statistics, reports and workforce information to support management planning and decision-making.
- Coordinated training courses and workshops, including participant administration, logistics and supporting documentation.
- Conducted research and prepared reports and briefing materials on HR and administrative matters.
- Maintained strict confidentiality when handling employee, recruitment, compensation and organizational information.
- Liaised with HR colleagues, hiring managers and other stakeholders to ensure timely completion of HR processes and actions.

UNITED NATIONS ENVIRONMENT PROGRAMME (UNEP) – Nairobi, Kenya

Team Assistant | October 2022 – November 2023

- Provided HR and administrative support to the Ecosystems Division, including serving as a focal point for the Nature and Climate Branch and Director's Office.
- Supported recruitment processes for regular staff, consultants, individual contractors, volunteers and interns across Nairobi and outposted duty stations.
- Coordinated interview schedules, technical assessments and recruitment documentation, ensuring hiring managers completed required recruitment actions.
- Prepared, reviewed and submitted staffing, recruitment and administrative documentation for approval.
- Maintained accurate staffing tables, personnel trackers and HR records, including appointments, contract expirations, retirements, transfers, reassignments and staff movements.
- Supported contract and appointment administration and followed up pending HR actions with relevant stakeholders.
- Maintained databases for non-staff personnel, including consultants, interns, UN Volunteers, JPOs and other personnel categories.

- Prepared recruitment and staffing reports using Power BI and Pivot Tables, supporting management planning and decision-making.
- Acted as a liaison between the Division, HR, Corporate Services, ICT and other stakeholders to facilitate timely completion of HR and administrative actions.
- Maintained confidential staffing and organizational information in accordance with established procedures.
- Supported meetings, workshops and staff activities, including scheduling, logistics, documentation and follow-up.
- Coordinated multiple administrative and HR priorities while ensuring deadlines and required approvals were met.

UNITED NATIONS ENVIRONMENT PROGRAMME (UNEP) – Nairobi, Kenya

Individual Contractor – HR & Administration | December 2021 – September 2022

- Provided HR administration and operational support to the Administrative Services Branch.
- Maintained staffing tables, organizational charts and recruitment matrices, ensuring employee and position information remained accurate and up to date.
- Supported recruitment processes by launching and advertising job openings through institutional recruitment systems.
- Supported selection processes and provided administrative guidance on recruitment requirements and documentation.
- Initiated requests for action, position approvals and funding through established HR and administrative procedures.
- Processed HR-related requests through institutional workflow systems and followed up approvals.
- Supported administration of consultants and individual contractors.
- Maintained a centralized repository of classified job descriptions and supporting HR documentation.
- Prepared compliance reports relating to mandatory training and employee requirements.
- Maintained confidential staffing and organizational records.

SYMETRICS LIMITED – Nairobi, Kenya

HR & Administration Assistant | March 2020 – November 2021

- Provided day-to-day HR administration and employee support to management and employees.
- Prepared employment contracts, HR letters, personnel documentation and routine HR correspondence.
- Maintained accurate and confidential employee personnel files and HRIS records.
- Supported recruitment activities, including reviewing and updating job descriptions and conducting pre-screening interviews.
- Prepared pre-employment documentation and onboarding checklists for successful candidates.
- Supported employee onboarding and induction processes to facilitate smooth integration of new employees.
- Responded to employee and management HR queries and followed up actions to ensure timely resolution.
- Coordinated employment contract renewals and followed up management approvals.
- Supported development, review and implementation of HR policies and procedures.
- Maintained organized employee records and ensured confidential HR documentation was properly filed and accessible to authorized personnel.
- Provided general administrative support and maintained professional communication with employees, clients and stakeholders.
- Assisted management with routine employee-related administrative matters.

UNITED NATIONS OFFICE AT NAIROBI (UNON) – Nairobi, Kenya

Human Resource Assistant | September 2019 – March 2020

- Supported recruitment and administration of the UN global internship programme.
- Prepared and posted job openings, screened applications and coordinated candidate assessments.
- Coordinated with hiring managers on shortlisting, eligibility checks and recruitment requirements.
- Prepared internship offer documentation and supported appointment processes.
- Managed correspondence with applicants and hiring managers and maintained accurate recruitment records.
- Prepared contract extension and renewal documentation.
