PROFESSIONAL EXPERIENCE

HR & Operations Manager | MedPrime Training College – | 2026 – Present

- Lead HR administration across the college, including recruitment, onboarding, employee records, attendance, leave, staff welfare, discipline, and employee relations.
- Coordinate day-to-day operations across campuses, following up on departmental activities, staffing, facilities, service delivery, and operational priorities.
- Develop, implement, and monitor HR and operational policies, procedures, controls, and documentation to strengthen compliance and accountability.
- Coordinate staff performance management through KPIs, appraisals, supervisor assessments, performance follow-up, and implementation of corrective or development actions.
- Support workforce planning and recruitment by identifying staffing requirements, coordinating candidate screening and interviews, and supporting appointments and onboarding.
- Monitor quality and service delivery standards, identify operational gaps, and coordinate process improvements affecting staff, students, and campus operations.
- Prepare HR and operations reports and management updates, highlighting staffing matters, attendance, recruitment, performance, risks, action points, and matters requiring management decisions.

Recruitment Vetting Volunteer | International Humanity Foundation (Remote) | 2025 – 2026

- Conducted candidate reference checks and background verification to support recruitment decisions.
- Maintained accurate applicant databases, confidential records, and recruitment documentation.
- Coordinated communication with candidates, referees, and stakeholders throughout recruitment processes.
- Prepared verification reports and recruitment summaries while maintaining confidentiality.

Operations & Administrative Manager | Heywood Enterprises Ltd, Nairobi | 2021 – 2025

- Coordinated daily business operations, administrative activities, staffing, scheduling, and service delivery.
- Supervised and coordinated a team of 18 employees across two shifts, supporting attendance, productivity, and performance.
- Managed operational records, filing systems, reports, schedules, and administrative documentation.
- Supported procurement, inventory control, supplier coordination, and cost-control activities.
- Prepared operational reports and maintained business records to support management decision-making.
- Supported staff coaching, onboarding, communication, and implementation of workplace procedures.

Selected achievements: Improved workflow efficiency; strengthened documentation and reporting systems; enhanced inventory accountability and operational visibility.

Accounts Intern | Kenya Veterinary Services | 2019

- Recorded financial transactions and maintained accurate accounting records.
- Assisted with reconciliations, financial documentation, and preparation of summaries.
- Organized accounting files and supporting documentation.

Administrative Intern | 2018

- Supported daily office administration, filing, correspondence, records management, and document organization.
- Assisted with data entry and general office coordination.
