PROFESSIONAL EXPERIENCE

Superior Homes Kenya PLC — Sales & Activation Executive

June 2026 – Present

- Generate and qualify property leads through activations, exhibitions, referrals and other client-engagement activities.
- Present and promote residential and land investment projects, matching client requirements with suitable property opportunities.
- Conduct client presentations, respond to enquiries and provide clear information to support informed investment decisions.
- Manage lead follow-up through phone, WhatsApp, email and CRM, maintaining accurate records and progressing prospects through the sales pipeline.
- Schedule and coordinate property site visits and maintain professional client engagement throughout the sales process.

- Build and maintain client relationships from initial enquiry through follow-up and after-sales support.
- Support negotiations and sales closing while working toward individual and team lead-generation and sales targets.
- Maintain customer records, pipeline information and activity reports in the CRM system.
- Represent Superior Homes at exhibitions, corporate activations and marketing events to generate new business opportunities.
- Work closely with sales and marketing colleagues to improve lead generation, follow-up and client conversion.

Howells Clothes — Assistant Manager / HR Support

November 2025 – April 2026

- Supported HR administration and employee relations across branch operations, working with management to address day-to-day workforce matters.
- Coordinated recruitment activities including interview scheduling, candidate communication, onboarding and induction of new employees.
- Maintained employee records, attendance registers, leave records and other HR documentation.
- Monitored employee attendance, punctuality and performance and prepared reports for management review.
- Followed up on employee performance matters and supported implementation of performance management activities.
- Provided first-line support for employee concerns and escalated HR matters to the appropriate management or HR personnel.
- Coordinated staff schedules, shift planning and workforce deployment to meet operational requirements.
- Supported employee training, orientation and continuous development activities.
- Ensured adherence to HR policies, workplace standards and established operational procedures.
- Prepared HR and administrative reports and maintained accurate personnel records.
- Collaborated with branch managers and HR personnel to support efficient day-to-day operations.

Parliamentary Service Commission — HR Intern

January 2025 – July 2025

- Coordinated interview scheduling and candidate communication during recruitment activities.
- Maintained confidential employee records, personnel files and HR documentation.
- Supported HR administration through accurate filing, record management and document preparation.
- Coordinated onboarding and induction activities for new staff.
- Coordinated meetings, staff schedules and departmental administrative activities.
- Prepared HR reports, correspondence and administrative documents to support departmental operations.

- Responded to employee and stakeholder enquiries professionally and followed up on outstanding matters.
- Assisted with staff training sessions, meetings and departmental events.
- Handled sensitive HR information confidentially and maintained appropriate standards of discretion.
- Worked with HR officers to support daily HR operations and service delivery.
