PROFESSIONAL SUMMARY

Recent BSc Human Resource Management graduate (Second Class Upper, Murang’a University of Technology, Graduated August 2026) with 3-month HR attachment supporting 100+ staff at Murang’a County Government. Coordinated onboarding and induction for 50+ candidates, resolved payroll and welfare inquiries with empathy and confidentiality, and tracked attendance and performance using HRIS and Advanced Excel (VLOOKUP, PivotTables). Built digital HR tools with HTML, CSS, JavaScript and Git to reduce paperwork for 100+ staff.

WORK EXPERIENCE

Human Resource Officer (Industrial Attachment) – Murang’a County Government, HR Department

May 2025 – July 2025 | Murang’a, Kenya

HR Records & Documentation: Audited, classified and secured 100+ confidential personnel files; updated employment contracts, personal details and job descriptions ensuring 100% compliance and confidentiality.

Recruitment & Selection: Drafted and posted job vacancies, screened CVs, conducted shortlisting against JD criteria, scheduled interviews, prepared interview packs and conducted reference checks.

Training & Development: Coordinated training programs – identified training needs with HODs, prepared schedules, booked venues, distributed materials, tracked attendance and compiled post-training reports.

Leave & Attendance Management: Managed daily staff attendance register, staff movement register and leave records; processed leave applications, verified balances and updated database in Excel & Google Sheets.

Performance Management Support: Assisted in distribution and collection of staff performance appraisal forms and ensured timely submission to HR Manager

Payroll & Benefits Support: Collated data for payroll input – attendance, overtime, new

hires and exits – and assisted staff with queries on payslips and statutory deductions (NHIF, NSSF, PAYE)

Employee Relations & Welfare: Attended to employee inquiries on HR policies and benefits; observed handling of disciplinary cases and grievance procedures in line with Employment Act 2007 and County HR Manual.

HR Reporting & HRIS : Prepared weekly HR reports on staffing, leave and training using advanced Excel (VLOOKUP, PivotTables); built digital tools (careers page, onboarding portal, leave form) to support HRIS implementation.

SKILLS

Core HR:Talent Acquisition, Sourcing & Screening, Interview Scheduling, Onboarding & Induction, HR Administration, Employee Relations, Policy Support, HR Projects, Training Coordination, Audits, Talent & Culture Support.
