

KGOTHSO MALESA

HR Administrator

Randburg | 065 244 9688 | kgothatsotshepi07@gmail.com

OBJECTIVE

HR Administrator with one year of hands-on experience supporting the full employee lifecycle, gained in the renewable energy sector. Skilled in HR administration, onboarding and offboarding, records management, payroll support and benefits administration. Known for strong organisational skills, attention to detail, a sense of urgency and a commitment to accuracy and confidentiality. Keen to apply these skills in a dynamic organisation, in any sector, where I can contribute meaningfully to the People function.

EXPERIENCE

Wetility

HR Administrator *June 2026 - Present*

HR Intern *July 2025 – May 2026*

People Operations & HR Administration

- Supported the entire People team with general HR administration across the full employee lifecycle.
- Maintained accurate employee records and HRIS systems, keeping trackers and employee information up to date and well maintained.
- Provided support with employee engagement initiatives and internal events.

Onboarding & Offboarding

- Executed various onboarding and offboarding processes, including preparation of contracts, background checks, and new hire packs.
- Processed documents for new hires and ensured compliance with organisational policies.

Records Management

- Created, maintained, and updated confidential employee files, personnel information, and electronic databases.
- Conducted regular filing audits across all filing platforms, maintaining accuracy on both hard copy and electronic employee files.

Payroll & Benefits Support

- Supported payroll-related administration and employee changes.
- Assisted with benefits administration and documentation.
- Processed leave applications and updated employee benefits data.
- Processed overtime and updated employee benefits data.

Recruitment Support

- Assisted the recruitment function with job advertisements, scheduling interviews, and handling applicant correspondence.

Compliance & Legal

- Stayed up to date with relevant laws and regulations, ensuring compliance with employment standards and labour laws.
- Maintained knowledge and understanding of HR best practices and industry developments.
- Provided guidance and support in the interpretation and implementation of HR policies and procedures.

Performance Management

- Assisted with the development and administration of performance management programs, including appraisal systems, goal setting, and employee development programs.
- Provided guidance and coaching to managers and employees on performance-related matters.
- Supported the implementation and monitoring of performance improvement plans.
