

Dear Hiring Manager,

I am writing to express my interest in the Human Resource Assistant position. I am a Diploma graduate in Human Resource Management with practical experience in employee supervision, office administration, customer relations, and human resource support. I am eager to contribute my skills and passion for people management to your organization.

In my current role as an **Assistant Supervisor** at **Penta Flowers Ltd.**, I oversee the coordination of daily greenhouse operations by assigning duties, monitoring employee performance, and ensuring work is completed efficiently and according to company standards. I communicate company policies and workplace procedures to employees, support supervisors in addressing operational challenges, promote compliance with health and safety regulations, and help maintain a productive and positive working environment. This role has strengthened my leadership, organizational, communication, and problem-solving skills while giving me valuable experience working closely with employees on a daily basis.

Previously, I worked as a **Telecommunications Sales Agent**, where I built strong customer relationship management, communication, and negotiation skills. I regularly interacted with clients, identified their needs, provided suitable solutions, and consistently worked toward achieving performance targets. This experience enhanced my ability to communicate effectively, build trust, and handle challenging situations professionally.

During my industrial attachment at the **Office of the Deputy County Commissioner (DCC), Thika**, I gained practical exposure to key Human Resource and administrative functions. While attached to the Human Resource Office, I assisted in maintaining personnel records, preparing HR documentation, drafting meeting minutes, and handling confidential employee information. I also gained practical knowledge of the Employment Act, labour laws, employee grievance handling procedures, and professional workplace ethics. My rotation through the Registry Department strengthened my records management, filing, and office correspondence skills, while my time at the Customer Care Desk improved my ability to handle inquiries professionally and provide quality public service.

I am particularly excited about this opportunity because it closely aligns with my education and career aspirations in Human Resource Management. Your emphasis on employee welfare, grievance management, confidentiality, accurate documentation, and compliance with labour laws reflects the kind of professional environment in which I hope to grow and contribute. I am confident that my

combination of supervisory experience, HR knowledge, administrative skills, and commitment to professionalism will enable me to add value to your Human Resources team from day one.

I am a highly organized, dependable, and self-driven individual who values integrity, teamwork, and continuous learning. I would welcome the opportunity to discuss how my qualifications and enthusiasm align with your organization's needs. Thank you for considering my application. I look forward to the opportunity to meet with you.

Yours sincerely,

**Jesta Faith Odhiambo**
