PERSONAL STATEMENT

I am a focused, result-driven, self-motivated, and enthusiastic professional. I am eager to exercise the knowledge obtained from my experience and gain technical skills in a challenging work environment while contributing to meet deadlines, and produce deliverables expected of me. I enjoy working with and being part of a successful productive team, but also thrive in individual projects. More than capable of leading a team and thrive working in high pressure and challenging working environments. Naturally possess excellent interpersonal communication and negotiation skills, manage work relationships well and have the ability to influence decisions.
