PROFESSIONAL EXPERIENCE

People Operations Associate (Maternity Cover)

NALA

March 2026 - August 2026

- Managed key aspects of the **employee lifecycle** within a fast-paced fintech environment, spanning recruitment, onboarding, probation, employee engagement, benefits, employee relations, and offboarding.
- Coordinated **end-to-end onboarding and orientation**, ensuring effective integration of new hires into company culture, systems, policies, and workflows.
- Partnered with leadership and cross-functional teams on **employee engagement, culture, recognition, and feedback initiatives**, strengthening employee experience and collaboration.
- Supported **employee relations, grievance and disciplinary processes**, facilitating effective communication between employees and leadership while promoting a positive workplace culture.
- Maintained **HRIS data, employee records, and people documentation**, ensuring data accuracy, confidentiality, compliance, and operational efficiency.
- Analysed **employee feedback, engagement surveys, and workforce data** to identify trends and provide insights supporting people initiatives and employee experience.
- Coordinated **L&D, wellness, DEI, and employee engagement programmes**, supporting employee wellbeing, development, and performance.
- Managed **workplace operations, vendors, office budgets, town halls, and internal communications**, including action tracking and follow-through.

- Supported health and safety compliance, including OSHA audits and staff training, while ensuring effective workplace operations.

HR Assistant (Maternity Cover)

RefuSHE Kenya

March 2025 - March 2026

- Developed and supported execution of a **3-year HR & Operations Strategic Plan (FY 2025–2028)**, incorporating KPIs, implementation timelines, and budget projections to strengthen organisational effectiveness.
- Led implementation and review of key **HR policies and frameworks**, including the HR Policy Manual, Code of Conduct, Flexible Working Policy, and Conflict of Interest guidelines, ensuring alignment with labour laws and organisational requirements.
- Managed **end-to-end payroll administration**, including payroll processing, statutory deductions and remittances, Group Life Assurance (GLA), medical insurance administration, and employee benefits, ensuring accuracy, compliance, and timely payments.
- Managed **donor timesheets and HR reporting requirements**, supporting accurate workforce data and donor compliance.
- Coordinated the **full employee lifecycle**, including recruitment, job analysis, offer letters, employment contracts, onboarding, contract renewals, end-of-contract processes, offboarding, and final dues across permanent, consultant, part-time, and casual staff.
- Conducted **job analysis and workforce planning** to support recruitment decisions, role structuring, and organisational effectiveness.
- Implemented and coordinated **performance management processes**, including reviews, feedback mechanisms, career development initiatives, and internal promotions, strengthening accountability and continuous improvement.
- Coordinated **employee engagement and wellbeing initiatives**, including team-building activities and staff debriefings, supporting collaboration, morale, and employee experience.
- Ensured ongoing **HR compliance with labour laws, statutory requirements, and regulatory obligations**, including support for statutory renewals.
- Managed **internal HR communications and external stakeholder engagement** with suppliers, donors, and programme teams, ensuring clear and timely HR coordination.
- Represented HR in **donor kick-off meetings**, documenting HR-related action points and supporting follow-through with programme teams.
- Coordinated **Learning & Development activities**, including procurement processes, facilitator engagement, logistics, training arrangements, and NITA reimbursement claims.

HR and Admin Assistant

Spearhead Technologies Limited

Dec 2023 - Dec 2024

- Supported core **HR operations**, including payroll processing, leave management, employee records, and HR data administration, while implementing an automated leave-tracking system to improve accuracy and reporting.
- Supported **Learning & Development and executive development programmes**, including training workshops, leadership sessions, and related logistics.
- Supported **employee exit processes**, including exit interviews, clearance, final settlements, and documentation, ensuring a smooth and compliant offboarding experience.
- Maintained **HR and Operations databases**, supporting accurate workforce information, reporting, and operational decision-making.
- Provided **executive administrative support**, coordinating calendars, travel, meetings, meeting materials, minutes, and action-point follow-up.
- Supported **office operations and financial administration**, including procurement, inventory and asset management, imprest, invoice processing, quotations, maintenance, and workplace safety compliance.

Customer Relations Officer

Tustawi

July 2022 – August 2023

- Managed **client acquisition and onboarding**, including lead generation, research, tender applications, and training of new learners.
- Managed **customer experience and journey mapping**, gathering feedback and identifying opportunities to improve service delivery.
- Managed LMS accounts and provided **customer support and escalation resolution**, maintaining responsive and positive client relationships.

Earlier Career Experience

- **HR Intern Kenya Wildlife Service (KWS) | May 2021 – October 2021** - Supported HR operations, including employee records, onboarding, payroll data preparation, leave tracking, statutory compliance documentation, and employee relations.
- **HR Support Intern - Nairobi City County – City Hall | Feb 2021 – Apr 2021** - Supported HR administration and employee records management, including HR system updates and employee medical card administration.
