CERTIFICATION & PROFESSIONAL TRAINING.

- Executive Certificate of Proficiency (ECOP) (JULY 2026)
College of Insurance, Nairobi

CAREER OBJECTIVE.

- I am a dedicated, collaborative and very flexible individual. I hold a Bachelor of Science in Economics from Daystar University. In addition, I completed Executive Certificate of Proficiency (ECOP) from the College of Insurance as part of my certification and professional training. Through my experience as a Financial Advisor at Old Mutual Insurance Company, I have developed strong communication skills, confidence and time management skills while learning how to build and maintain good relationships with clients. Through my Internship at Eco-Pillar Sacco Society Ltd, I developed strong

customer service skills, from guiding members through loan applications to solving their specific concerns with patience and care. I also gained hands-on experience in Front-Office, Registry, Back-Office and assisted Marketing Department in field visits and outreach activities. Additionally, serving as a Student Leader at Daystar University sharpened my communication and leadership skills as I took pride in representing my peers thus bridging the gap between the management or lecturers and the students. I am now looking for an opportunity to join a professional team where I can use my practical experience, skills and ability to follow instructions while working well with others to support organizational efficiency and growth.

- Eager to apply a blend of academic knowledge and practical experience to support organizational efficiency and growth.

SKILLS AND COMPETENCIES.

- Hardworking, self-motivated, honest and a person who is able to follow instructions while working well with others.
- Open and committed to learning.
- Flexible with my schedule which allows me to support my team where it matters most.
- Strong communication and interpersonal skills.
- Effective teamwork and leadership skills.
- Proficient in time management and meeting strict deadlines.
