WORK HISTORY

Human Resource and Admin Assistant

Ital Global Limited | January 2026 - Present

- Manage attendance and leave records for 50+ employees using Microsoft Excel, ensuring accurate payroll inputs and compliance with company policies.
- Coordinate end-to-end recruitment processes through MyJobMag, Google Meet, and email platforms, ensuring timely hiring and a positive candidate experience.
- Conduct CV screening, interview scheduling, and candidate communication, improving recruitment efficiency and stakeholder engagement.
- Prepare employment contracts, probation letters, disciplinary notices, and separation documentation using Microsoft Word while ensuring compliance with labor regulations.
- Maintain accurate employee records and personnel files using digital and physical filing systems, supporting audit readiness and data confidentiality.
- Coordinate payroll preparation by collecting, verifying, and updating employee information in payroll.
- Contribute to the development and implementation of HR policies and procedures, promoting consistency and compliance across HR operations.

- Prepare HR reports, meeting minutes, and employee correspondence using Microsoft Office and Google Workspace.
- Monitor office expenses and ensure proper documentation of petty cash usage.

Human Resource Intern

Ital Global Limited | March 2025 - December 2025

- Supported recruitment activities by screening CVs, scheduling interviews, and coordinating candidate communication through email, telephone, and Google Meet.
- Assisted with background checks and reference verification, contributing to informed hiring decisions.
- Maintained recruitment and employee records using Microsoft Excel and document management systems, ensuring accuracy and easy retrieval.
- Provided administrative support through document preparation, scanning, filing, and front-office coordination.
- Ensured positive interactions with candidates and employees, improving the organization's professional image.

Attaché

National Construction Authority | October 2022 - January 2023

- Maintained employee records and filing systems using Microsoft Office tools, improving document organization and accessibility.
- Processed leave applications and attendance records using Excel, ensuring accurate staff information management.
- Drafted departmental correspondence and administrative documents using Microsoft Word.
- Supported planning and coordination of staff training activities, contributing to effective employee development initiatives.
- Delivered administrative and customer service support to internal and external stakeholders, promoting operational efficiency.

Volunteer

World Vision | November 2023 - March 2024

- Captured and updated organizational data using computer-based data management systems, maintaining high levels of accuracy and consistency.
- Verified, reviewed, and corrected records using Microsoft Excel, supporting data integrity and reporting requirements.
- Organized and maintained electronic and physical records, improving information accessibility and retrieval.
- Assisted in report preparation and administrative tasks using Microsoft Office and Google Workspace.
- Supported office operations through correspondence management, filing, and general administrative assistance.
