Personal Statement

I am a detail-oriented, organized, and client-focused Administration and Operations professional with over 10 years of combined experience in healthcare administration, patient registration and admissions, human resource administration, customer service, accounting, records management, and office operations. I currently work as an Administrator at ComfortCare360+/Xalco Ltd in Kisumu, where I oversee patient registration, admissions, discharges, appointments, referrals, billing, payment follow-up, records management, and client communication. I have strong experience in maintaining accurate and confidential records, coordinating daily operations, handling patient and family enquiries, resolving complaints, preparing reports, and working closely with clinical, administrative, insurance, and other stakeholders to ensure efficient service delivery. My previous experience as a Human Resource & Admin Officer and Accountant has further strengthened my skills in documentation, data management, financial reconciliation, communication, and attention to detail.
