Dear Madam/Sir

RE: APPLICATION FOR THE HUMAN RESOURCE POSITION

I am writing to express my keen interest in the Human Resource Position as advertised on the website. With a strong foundation in the Human resource field and a passion for contributing to the Human Resource Team, I am confident of my ability to make a significant impact.

During my internship program at Corporate Staffing Services, I was able to get hands on the experience in the following areas;

- a) Recruitment which involves finding and hiring new employees;
- b) Training and development which involves teaching new employees company policies and skills;
- c) Payroll and benefit administration; and
- d) Maintaining HR files and database.

I believe this experience helped me develop excellent communication skills that can be applied in the Human Resource field. I was able to easily communicate with other employees. I have further developed strong communication and interpersonal skills and ability to collaborate efficiently with cross functions. I believe my hard work and determination will make me a valuable asset to your team.

Thank you for considering my application. I would welcome the opportunity to discuss how my skills and passion can benefit your team.

I look forward to hearing from you.

Yours sincerely,

Nicole Naisha.
