RE:SEEKING OPPORTUNITYB AS AN ENTRY LEVEL BIOMEDICAL TECHNICIAN

Dear hiring Manager,

I take this opportunity to express my interest in joining your organization as an entry level medical equipment technician. I possess a Diploma in Medical engineering Technology from Technical University of Mombasa and graduated in December 2024.

In the past years, I have acquired basic biomedical skills during my university training and at the field too. This includes practical, industrial attachment and also in medical facilities after graduating.

I am passionate in further developing my skills in medical equipment installation, maintenance and repair, and seeking for an opportunity that will allow me grow professionally and make meaningful contributions to the organization too and I believe your organization will provide a perfect opportunity for my professional development, with its good reputation in the industry.

I am a quick learner and ready to gain skills from your experienced team, grow with you, and make meaningful contributions to ensure your company achieves its goals and objectives. I am hard working, flexible, and ready to perform assigned duties to my level best.

I look forward to hear from you and have an opportunity to discuss how I would be beneficial to Accord Medical Supplies Limited. Thankyou.

Yours Faithfully,

Edward Lyomu
