PROFESSIONAL EXPERIENCE

Nyayo Tea Zones Development Corporation

Jan 2026 – Present

(PSIP) Human Resource Officer

Talent Acquisition & Recruitment

- Coordinated end-to-end recruitment activities including preparing job advertisements, screening applications, scheduling interviews, and supporting candidate selection processes.
- Maintained recruitment trackers and databases to monitor recruitment progress and improve reporting efficiency.
- Assisted in onboarding new employees by preparing employment contracts, induction documentation, and ensuring smooth integration into the organization.

Employee Orientation & Induction

- Coordinated employee orientation programmes by preparing induction schedules, facilitating departmental introductions, and ensuring completion of onboarding documentation, enabling smooth integration of new employees.
- Guided new employees through organizational policies, code of conduct, workplace procedures, and statutory requirements, improving employee readiness and compliance.

Employee Records Administration & HR Operations

- I am maintaining accurate HR documentations, including over **200 employees'** files, improving records accuracy to ensure easy retrievals.
- Developed and maintained HR trackers for recruitment, employee records, and attendance management, enhancing data accuracy and improving HR reporting efficiency.

Leave Administration

- I am responsible for updating employee leave balances to support workforce planning and leave allowance and audit readiness.
- Responding to employee leave-related enquiries and ensuring timely processing of leave requests, contributing to efficient HR service delivery and employee satisfaction.

Compensation, Payroll & Benefits Administration

- I am assisting in payroll compliance by compiling employee payroll data and ensuring accurate statutory deductions that is PAYE, NSSF, SHA, affordable housing levy and other deductions allowable on employee gross salary.
- I am supporting in pension administration through employee admissions, verification of records, and processing of employees' terminal benefits in compliance with labour regulations.

Employee Relations & Labour Law Compliance

- I support disciplinary and grievance handling processes while ensuring compliance with the Employment Act 2007, labour institutions Act 2007 and organizational HR policy procedure manual.
- I also respond to employee enquiries and assisted in resolving workplace concerns, contributing to improved employee relations and reduced workplace grievances.

Performance Management

- I participated in employee performance appraisal process by distributing appraisal forms, ensuring continuous communication with employees during the process, and compiling performance data and analysing the data for timely reporting to assist the management in decision making on training and promotions.
- Maintained performance management records and monitored appraisal timelines, improving compliance with the organization's performance management framework.

HR Information Systems (HRIS)

- I updated and maintain employee information within the HRIS (ERP), ensuring data accuracy, timely retrieval of HR information and confidentiality.
- Generated HRIS reports to support workforce planning, management reporting, and informed decision-making.

HR Analytics & Reporting

- Generated HR reports using Microsoft Excel (Pivot Tables, Charts, and Data Analysis) to support informed decision-making.
- Produced workforce reports that enhanced HR planning and management reporting.

Sony Sugar Company

April 2022 – July 2022

HR Attachee

- Supported employee records management and HR documentation
- Assisted in recruitment coordination and onboarding processes
- Gained exposure to HR operations and industrial relations
- Assisted in handling workplace healthy and safety issues through training and provision of PPES to employees who tend to work hazardous places, this helped in reduction of Factory accidents by 30%.

TECHNICAL SKILLS

- | | |
|-----------------------------|--------------------------------------|
| ○ Advanced Microsoft Excel | ○ Artificial Intelligence (AI) in HR |
| ○ HRIS (Basic Exposure ERP) | ○ SPSS |
| ○ Microsoft Office Suite | |
