Dear sir/madam

RE: Human Resource Assistant

In response of the job opening please consider my resume in your search for a Human Resource Assistant Officer. I believe my skills closely match your job description and I can make positive contribution to your company.

I am a Diploma graduate in Business Management Administration from Zetech University.

Some of my key skills that are relevant to this opportunity include:

- Over three years professional experience in administrative providing support, office management and organization assistance to both single department and multiple individuals throughout the company.
- In depth experience of data management skills, control of usage assets to avoid wastage in the organization.
- Accuracy in data entry, documents preparation and record keeping.
- Supporting staff in implementation of performance appraisal system to ensure performance.
- Ensuring employees files are updated regularly.
- Managed multiple tasks, prioritizing and maintaining organized system.
- A comprehensive working knowledge of various computer applications including MS word, Excel, power point and Access.
- ERP, WMS conversant.
- Finance &Admin support process petty cash, invoices.
- Support HR tasks like leave records, recruitment logistics.
- Manage calls, emails, correspondence.

If you are looking for a Human Resource Assistant who is committed to the highest standards of work performance, then I believe I am that person.

Thank you for your time and consideration, looking forward to your positive feedback.

Yours faithfully
Dainah Waruguru
