**RE: APPLICATION FOR THE POSITION OF HR OFFICER**

Dear Hiring Manager,

I am writing to express my interest in the **HR Officer** position in Nairobi. I hold a **Bachelor of Business Administration and Management (Human Resource Option)** from St. Paul's University and bring over 12 years of progressive experience in human resource administration, employee support and office operations.

In my previous role as **Office Administrator / Human Resource Officer at Intech Enterprises Ltd**, I supported a broad range of HR functions including recruitment and selection, onboarding and induction, employee relations, personnel records management, attendance administration, payroll coordination, statutory documentation and HR correspondence. I also worked closely with management and employees to address day-to-day HR matters and support the consistent implementation of HR policies and procedures.

My experience has equipped me with practical skills in **maintaining confidential employee records, coordinating recruitment activities, preparing employment documentation, monitoring attendance and timesheets, supporting payroll processes, maintaining statutory records and responding professionally to employee concerns**. I have also supported staff welfare and workplace health and safety initiatives.

I am a member of the **Institute of Human Resource Management (IHRM)** and have strong communication, interpersonal, organizational and problem-solving skills. I am comfortable working independently while also coordinating effectively with management and employees across different functions. My administrative background further strengthens my ability to maintain accurate records, meet deadlines and handle sensitive information with discretion.

I am particularly interested in this opportunity because it provides an opportunity to contribute my practical HR experience to an organization that values effective people management, employee relations and workplace compliance. I am confident that my background and commitment to professional HR practice would enable me to make a meaningful contribution to your team.

I would welcome the opportunity to discuss my application and how my experience can support your organization's HR objectives. Thank you for considering my application.

Yours faithfully,

**ELIZABETH GUNYANYI AIGA**
