RE: APPLICATION FOR THE POSITION OF HUMAN RESOURCE ASSISTANT

Dear Hiring Manager,

I am pleased to submit my application for the Human Resource Assistant position at Accord Medical Supplies Ltd. I hold a Bachelor of Arts in Political Science and Public Administration from Moi University and have practical administrative exposure from my internship at the Kangema Sub-County Deputy County Commissioner's Office, alongside experience in teaching support, customer service and small-business operations.

My academic training gave me a strong foundation in administration, governance, organizational processes, accountability, communication and professional ethics. During my internship, I gained exposure to office procedures, documentation, records, communication and public service. This strengthened my accuracy, discretion, responsiveness, ability to follow procedures and confidence in working within an institutional environment.

I also bring valuable people and coordination skills. As a peer teacher, I learned to communicate clearly, listen actively, support people with different needs and handle concerns patiently and professionally. Through my cosmetics/beauty business and bakery distribution work, I have further developed customer-service, organization, accountability, initiative and multitasking skills. These experiences are transferable to recruitment coordination, employee documentation, onboarding support, attendance and leave administration, staff communication and general HR operations.

While my degree is not specifically in Human Resource Management, I am highly motivated to build my HR career and ready to learn your systems, policies and procedures. I am comfortable with professional communication, document handling, basic Microsoft Office applications and online work, and I bring strong integrity, confidentiality, attention to detail, adaptability and a dependable work ethic.

I would welcome the opportunity to discuss how my background and transferable skills can contribute to Accord Medical Supplies Ltd. Thank you for considering my application. I am available for an interview at your convenience and would be honoured to join your team.

Yours faithfully,

Catherine Njambi Njiri
