To,
The Hiring Manager,

Dear Sir/Madam,

I am writing to express my interest in the advertised position within your esteemed organization. With practical experience in recruitment, employee relations, welfare administration, and training coordination, I have developed the competence required to support effective human resource management processes. My academic background in Business Management (HR Option) and a Diploma in Human Resource Management further complement my professional experience.

In my current role as an HR Officer at NU Health Agency Limited, I coordinate full-cycle recruitment, manage employee welfare, facilitate training, and ensure compliance with statutory and organizational requirements. My previous experience at the Kenya Literature Bureau allowed me to strengthen key HR operational areas including payroll support, leave management, and documentation accuracy. These experiences have honed my skills in organization, confidentiality, and employee engagement.

I am confident that my skills, professionalism, and dedication to effective HR practices will contribute positively to your team's goals. I would appreciate the opportunity to discuss how my background aligns with your organization's human resource objectives. Thank you for considering my application.

Yours faithfully,

FAITH NYAGUTHII WARAGA
