Dear Hiring Manager,

RE: APPLICATION FOR THE HUMAN RESOURCE POSITION

I am writing to apply for the Human Resource position. I hold a Bachelor's degree in Human Resource Management from Makerere University Business School and have practical experience in HR administration, recruitment, employee records, onboarding, leave and attendance management, and employee relations.

In my current role as a Human Resource Officer at Graphic Systems Uganda Ltd, I support day-to-day HR activities and work closely with employees and management on various HR matters. I previously worked as a Human Resource Assistant at Digit Vehicle Tracking Ltd, where I gained further experience in recruitment and general HR administration.

I am organised, approachable and committed to handling HR matters professionally and confidentially. I would welcome the opportunity to contribute my skills to your organisation.

Yours faithfully,
Sheila Akampa
