The Human Resources Manager
Accord Medical Supplies Limited
Nairobi, Kenya

RE: APPLICATION FOR THE POSITION OF HR ASSISTANT

Dear Hiring Manager,

I am writing to express my interest in the position of **HR Assistant at Accord Medical Supplies Limited**. I hold a **Bachelor of Commerce degree in Human Resource Management Option** and am currently pursuing my **CHRM Certification**, which has further strengthened my knowledge and practical understanding of human resource management and employee relations.

I have over four years of experience in administrative and coordination roles, where I have developed strong skills that are directly relevant to human resource functions. My experience includes maintaining confidential records, coordinating meetings and appointments, preparing reports and documentation, supporting staff and stakeholder communication, coordinating training activities, and following up on administrative and operational matters. I have also gained exposure to employee-related processes, training coordination, documentation, and maintaining organized records.

I am highly organized, detail-oriented, professional, and able to handle confidential information with discretion. I am particularly interested in this opportunity because it would allow me to apply my HR knowledge and administrative experience in a professional environment while continuing to grow my career in human resource management. I am confident that my academic background, practical experience, willingness to learn, and commitment to professional development would enable me to make a positive contribution to **Accord Medical Supplies Limited**.

I would appreciate the opportunity to discuss my application further and demonstrate how my skills and experience can support your Human Resources function. I look forward to hearing from you.

Yours faithfully,

NTALAYIO RESIAN NAANYU
