● About HR 360

End-to-End HR Management Solution

HR360™ is CDL's comprehensive managed HR solution designed for organizations that want professional HR support without the cost and complexity of building a fully-fledged internal HR department.

You retain full control over your business, workforce decisions and organizational culture, while CDL becomes your dedicated HR management and compliance partner, executing the day-to-day people function on your behalf, managing the entire employee lifecycle from recruitment and onboarding to payroll administration, statutory compliance, employee relations, performance support and off-boarding

● Scope Overview

HR360 covers the full HR spectrum, including:

- Workforce Planning & Recruitment
- Structured hiring processes aligned to your business needs
- Employee Lifecycle Management
- From onboarding to exit, ensuring consistency and compliance
- HR Administration & Operations
- Contracts, documentation, and day-to-day HR management
- Payroll & HR Systems Support
- Efficient, accurate, and compliant payroll and HRIS management
- Performance & Talent Management
- Compliance & Risk Management
- Ensuring adherence to labor laws and HR best practices
- Employee Engagement & Culture Support
- Building productive and aligned teams

● The Value Proposition

Rather than investing in building and managing an in-house HR department, organizations gain immediate access to:

- Professional HR management across the employee lifecycle
- Recruitment and talent acquisition support
- Payroll administration and statutory compliance
- Employee records and HR administration
- HR advisory and employee relations
- HR technology (HRIS)
- Labour law and compliance expertise
- HR policies, governance and documentation
- Access to broader consulting and talent development services

Everything works together as one coordinated HR function.

Fun Fact!

Companies that outsource HR functions report up to **32%** higher focus on core business activities

● Why HR360?

Organizations partner with CDL because HR360 enables them to:

- **Focus on their core business.** Business leaders spend less time dealing with administrative HR matters and more time driving growth.
- **Strengthen compliance.** Our specialists help ensure HR processes comply with employment legislation, statutory requirements and HR best practices.
- **Reduce operational costs.** Access an entire HR function without the cost of recruiting, developing and retaining a large internal HR team.
- **Scale with confidence.** As your workforce grows, HR360 grows with you, without the need to continually restructure your HR department.
- **Improve governance.** Standardized HR processes, professional documentation and expert oversight reduce risk while improving operational consistency.
- **Strategic Focus** Knowing experienced HR professionals are managing critical people processes allows leadership to focus on strategic priorities.
