Welcome to the world of CDL

In the next few pages you will come to know the reasons why CDL is a diverse and dynamic organization. I am immensely proud to be the Group CEO. Within our profile, we will demonstrate why CDL continues to win accolades, citing our people, our operations and our safety records as the best in the industry.

We operate within the challenging business environment where the only real constant is change.

Therefore, it is imperative to our clients that we are able to navigate these challenges on their behalf in order to keep their operations and their businesses running smoothly.

Our size does not inhibit our dexterity in this regard and by utilizing the HR Solutions and Sales outsourcing services we have developed, we continue to offer our clients peace of mind.

At CDL, we do not rest on our successes and have developed methods and tools for continuous improvement, working with our clients, old and new - across across our numerous and diverse operations, in a collaborative way to ensure that we always strive to be the best and offer innovative and optimal solutions.

Our Company profile is designed to provide a snapshot of CDL world, giving you an insight into what makes us who we are and gives us the opportunity to share a little bit of our vision with you.

With kind regards

Lucy Mmari
