RE: **APPLICATION FOR HR ASSISTANT POSITION**

Dear Hiring Manager,

I am writing to express my interest in the HR Assistant position at your organization. I am a Diploma in Accountancy graduate from the University of Embu, and I have developed a strong interest in Human Resource Management through my recent HR training at Trafine Service and my practical experience working with customers, records, and office operations.

What particularly attracts me to Human Resources is the opportunity to work with people, understand their concerns, and contribute to creating a positive and professional working environment. I am naturally interested in solving problems and finding practical ways of handling challenges. I believe this quality is important in HR, where employees may need guidance, support, and someone who can listen and help resolve issues professionally.

During my industrial attachment at Biashara Tosha SACCO, I gained practical experience in maintaining records, handling member inquiries, organizing documents, and supporting daily office operations. These responsibilities strengthened my attention to detail, confidentiality, communication, and organizational skills. My HR training at Trafine Service further exposed me to employee relations, workplace communication, and conflict management.

I am a hardworking, adaptable, and quick-learning individual who is willing to take responsibility and learn from experienced HR professionals. I would value the opportunity to apply my existing skills while gaining practical experience in recruitment, employee records, HR administration, and employee support.

I would appreciate the opportunity to discuss my application further in an interview. Thank you for considering my application. I look forward to the opportunity to contribute to your organization and grow professionally in the field of Human Resources.

Yours faithfully,
Catherine Kathini Muthui
