Objective

A Creative Mind With Experience In a Corporate and Government Setting. I enjoy performing tasks that need to put up ideas into actions. I am a collaborative team player with excellent communication and interpersonal skills. Ability to develop and implement Human Resource Programs to improve employee Satisfaction, Retention and Productivity. Ability to build and Maintain positive relationships with employees. My expertise lies in aligning strategies with solutions to foster growth, improve processes and deliver good results. I am committed to creating meaningful and a sustainable impact across organizations.

Experience

- Kenya School of Government** 03/02/2025 - 06/07/2025
Human Resource Intern
I served under the Human Resource and Administration Department where I engaged in several departmental functions.
I assisted in the recruitment process, entry of employee records for the new employees.
Pay roll Processing also was a major HR Function that I performed.
I was involved in the Corporate Social Responsibility processes and planning committee.
Got skills in conducting Performance Evaluation of Employees
- Kenya Informal Settlements Improvement Programme (KISIP)** 1/11/2024 - 15/11/2024
Lead Supervisor
I was the Supervisor of a KISIP Project that sought to identify the vulnerable citizens in the largely populated areas around the slums in Ruiru Constituency.
My role as a supervisor involved making sure all the enumerators covered all citizens and that they collected the correct needed data by KISIP.
I ensured that they interacted well with the members of the local community.
As the Lead Supervisor for the KISIP Project, I managed to have the following skills;
Community Engagement, Effective Communication Skills, Enhanced Team Work, Good Problem Solving Skills when solving disputes between Enumerators.
- Ministry of Labour And Social Protection** 05/09/2024 - 31/10/2024
Lead Supervisor
I was appointed as the Lead Supervisor by the Ministry of Labour and Social Protection for a project Called Enhanced Single Registry(ESR). The Project Involved identification of the most vulnerable members of the community for them to benefit from government projects and subsidized government products.
As the Lead Supervisor of this Project, I made sure that the Enumerators performed their tasks perfectly and met their daily targets that they needed to meet each day.
I made sure that they collaborated well with the community for them to get concrete information.
In conducting these exercise, I was able to learn skills like: Collaboration, Strong Supervisory Skills, Team Work, Strong Communication Skills and Strategic Thinking and Management.
- Origami Solutions** 01/05/2022 - 08/09/2022
Customer Relations Officer
I was the Customer Relations Officer in Origami Solutions engaged with the task of employment relations and engagement.
My task was to identify and source for clients who would be interested in the services that we were offering as a company.
Being my first task, I was able to learn some skills like: Communication Skills, Good Etiquette and Mannerisms when involved with Clients and Decision - Making
