The Human Resources Manager
Accord Medical Supplies Ltd

RE: APPLICATION FOR HR OFFICER

I am writing to apply for the HR Officer position at Accord Medical Supplies Ltd. I hold a Bachelor of Arts in Economics and Sociology from Chuka University and have practical administrative experience involving records management, coordination, communication, reporting, attendance monitoring and handling information with discretion.

In my role as an Administrative Assistant at Enable Forgotten Children, I maintained beneficiary and administrative records, handled enquiries and follow-ups, coordinated schedules and field activities, prepared reports and worked with multiple stakeholders. The role required accuracy, confidentiality, organisation and professional communication when dealing with families, staff and external stakeholders.

My NYOTA training roles have further strengthened my people-management and documentation skills. As a SESD Trainer, I facilitated a 20-day training programme for 28 adult/youth participants, including differently abled participants, and maintained attendance of up to 100%. I also maintained participant records, monitored attendance, responded to individual needs and supported reporting. I performed similar participant-record and attendance responsibilities as a NYOTA BDS Trainer.

I am particularly interested in this opportunity because the role requires strong interpersonal and organisational abilities, support for recruitment and onboarding, personnel records, attendance and leave administration, confidentiality, workplace issue handling and coordination across departments. I bring transferable experience in these areas, together with proficiency in Microsoft Office and digital record-management tools. I am also prepared to learn and apply Accord Medical Supplies' HR procedures, policies, systems and compliance requirements.

I would appreciate the opportunity to discuss how my administrative, records-management, people-support and coordination experience can contribute to the HR function at Accord Medical Supplies Ltd. Thank you for considering my application.

Yours faithfully,
Nancy Elector
