Re: Application for Human Resource Assistant

Dear Hiring Team,

I am writing to apply for the Human Resource Assistant position at Accord Medical Supplies Limited. I am a Human Resource Management graduate from Jomo Kenyatta University of Agriculture and Technology, and I am drawn to the opportunity to support HR operations at a growing healthcare supplies company making a real impact on service delivery.

During my HR internship at the State Department for Wildlife (June-August 2025), I supported HR operations for a workforce of over 300 employees, including maintaining and organizing over 500 employee records and personnel files, supporting recruitment and onboarding through interview scheduling and documentation, and administering leave and attendance records. I also prepared HR documentation and reports and provided general administrative support, handling confidential employee information professionally throughout, in line with HR policy and Kenyan labour regulations. Leading my final-year HR research project group at university (April-June 2026) further strengthened my organizational and problem-solving skills.

I am proficient in Microsoft Office, comfortable working with HR records and documentation, and bring strong communication and interpersonal skills along with a genuine commitment to handling confidential information with professionalism and discretion. I would welcome the opportunity to bring this practical foundation to your HR team.

Please find my CV attached for your consideration. Thank you for your time, and I look forward to hearing from you.

Kind regards,

Antony Kago Kibuchi
