Dear Hiring Manager,

I am writing to express my strong interest in Human Resources and Administrative roles within your organization. As a Human Resource Management graduate from Jomo Kenyatta University of Agriculture and Technology (JKUAT), with practical experience in recruitment, onboarding, employee records management, leave administration and HR documentation, I am well prepared to contribute to efficient and compliant people operations.

In my current role as Human Resources Consultant at Clifline Logistics Limited, I have sourced and screened candidates for operational positions, reviewed over 30 CVs, coordinated interviews, drafted employment contracts and policy communications, maintained confidential personnel files and leave balances, and successfully onboarded new hires. Prior to this, as a Human Resource Intern at the National Housing Corporation, I supported recruitment shortlisting, prepared payroll summaries and leave reports, maintained accurate employee records, and assisted with induction programmes. These experiences have strengthened my ability to handle the full cycle of core HR and administrative support functions with attention to detail and confidentiality.

I bring solid working knowledge of Kenyan labour law and HR policy, proficiency in Microsoft Teams, Google Workspace, and familiarity with systems such as Workday and SAP SuccessFactors. My academic foundation a Bachelor of Human Resource Management (JKUAT), complemented by a Diploma and Certificate in Human Resource Management from the University of Nairobi has equipped me with both theoretical grounding and the practical skills needed to support HR Assistants, HR Officers, HR Administrators and general Administrative teams effectively.

I am eager to bring my organizational skills, reliability and commitment to professional standards to a role where I can support your people operations. I would welcome the opportunity to discuss how my experience and qualifications align with your team's needs. Thank you for considering my application. I look forward to the possibility of contributing to your organization.

Yours sincerely,

Felicia Bonareri
