The Hiring Manager,

Dear sir/madam,

**RE: APPLICATION FOR THE POSITION OF HR ASSISTANT**

I am writing to apply for the HR Assistant position at Accord Medical Supplies Ltd. I have practical experience in human resource administration, recruitment, employee records, payroll, leave and attendance management, performance management and employee relations. I am confident that my hands-on experience would allow me to provide effective support to your HR function.

In my most recent role as an Administration and HR Assistant at Yanzi Organic, I supported HR operations for 44 employees. I handled recruitment and onboarding, maintained employee records, managed leave and attendance, processed payroll and supported performance management. I also prepared HR reports and handled confidential employee information, requiring accuracy, discretion and timely follow-up.

My previous experience at Laibon Hotel Ltd and Micromate Ltd further developed my skills in recruitment, employee relations, HR documentation and staff support. I have supported recruitment processes from candidate coordination through onboarding and have handled employee concerns and disciplinary matters. At Micromate, I was also involved in work permit and visa processing, which strengthened my documentation, coordination and follow-up skills.

I am comfortable supporting HR policies and procedures and have a good understanding of employee administration and employment practices in Kenya. I am also proficient in Microsoft Excel and have experience using Zoho People to maintain employee information and support HR processes. My experience in payroll, attendance and leave management has strengthened my attention to detail and ability to maintain accurate employee data.

I take a practical and people-focused approach to HR. I understand the importance of responding to employee queries professionally, maintaining confidentiality and ensuring that HR processes are completed accurately and on time. I am also comfortable working with different teams and supporting management with routine HR matters.

I am an ongoing member of the Institute of Human Resource Management (IHRM) and committed to continuous professional development. I would welcome the opportunity to bring my HR experience and strong administrative skills to Accord Medical Supplies Ltd.

Thank you for considering my application. I look forward to the opportunity to discuss my suitability for the position.

Kind regards,

**Mwangangi Georginah**
