### TO WHOM IT MAY CONCERN

**RE: FRANCIS KIVINDYO ID No 12720373**

We confirm that the above named has been working for us since May 2003 in his capacity as Accounts Clerk and later as Finance Officer.

Sadly, in view of the difficult market conditions in this country and the company's downsizing, we have had to abolish this position.

During his tenure with us, we found Francis to be pleasant, hardworking and dedicated in handling duties assigned to him.

We have no hesitation in recommending him.

Yours sincerely,

Alan Dixson  
Managing Director
