RE: APPLICATION FOR HR ASSISTANT POSITION

Dear Sir/Madam,

I wish to apply for the HR Assistant position advertised by Accord Medical Supplies Ltd.

I am a Human Resource Management finalist at Maasai Mara University (Expected December 2026) with practical experience at Aster Healthcare where I have served as HR Intern from June 2026 to date, managing HR records for 170+ staff, tracking attendance, leave and shift rosters, compiling payroll inputs, and supporting recruitment and onboarding. Previously at KDIC (June - September 2024), I screened 1000+ CVs, shortlisted 120 candidates for 9 roles, and supported the onboarding of 9 hires.

In my role at Aster, I have gained strong skills in recruitment, employee records management, leave and attendance management, onboarding, payroll inputs, and ensuring compliance with employment laws and statutory requirements (NSSF, SHA, PAYE) in line with Kenyan Labour Law.

I am proficient in Microsoft Office Suite including MS Excel, MS Word, PowerPoint and Outlook, and HR management systems. I am highly organized, maintain strict confidentiality, and have strong communication and problem-solving skills with ability to work independently and coordinate across departments.

I am immediately available and eager to bring my skills to your team. Please find my CV attached.

Thank you for your consideration. I look forward to hearing from you.

Yours faithfully,

Robert Openda
