Hiring Manager
Accord Medical Supplies Limited
Nairobi, Kenya

Dear Sir / Madam,

Re: Application for Human Resource Assistant

I am writing to express my interest in the Human Resource Assistant position at Accord Medical Supplies Limited. I am a highly organized, detail-oriented, and dependable professional with a Bachelor of Commerce in Finance, a Diploma in Business Management, and practical experience in administration, record management, compliance, and coordinating day-to-day operations. I am confident that my combination of administrative skills, attention to detail, and ability to work effectively with people would enable me to contribute positively to your Human Resources team.

Throughout my professional experience, I have developed strong skills in maintaining accurate records, handling confidential information, coordinating tasks, and ensuring that documentation is properly organized and up to date. At Kirichwa Road Pharmacy, I oversee financial and administrative processes including reconciliations, vendor payments, inventory records, and reporting. This role has strengthened my ability to work with sensitive information, maintain accuracy under pressure, meet deadlines, and ensure that operational procedures are consistently followed.

My previous experience at Kenya Pipeline Company further developed my administrative and organizational abilities. I supported internal budgeting, digitized over 200 documents, and coordinated executive logistics. These responsibilities required a high level of organization, attention to detail, document management, and professional communication—skills that are directly applicable to HR administration and employee support.

During my internship at Stratedge Consulting, I supported financial data analysis, budget forecasting, and compliance documentation while working with different stakeholders. I also gained valuable experience in maintaining accurate records and preparing information for decision-making. At Davana Hotel, I assisted with procurement and bookkeeping operations, strengthening my ability to coordinate with different departments and maintain effective working relationships.

In addition, my experience as a Cashier at MG Collections taught me the importance of professionalism, customer service, communication, and handling high volumes of transactions accurately. I believe these interpersonal skills would be valuable when assisting employees, responding to HR-related enquiries, coordinating interviews, and supporting the smooth day-to-day functioning of the Human Resources department.

I am proficient in Microsoft Office and various business and accounting systems, including QuickBooks, Sage, Pastel, and Tally. I am also a fast learner who can adapt to new HR systems and procedures. I

understand the importance of confidentiality, accuracy, professionalism, and compliance when dealing with employee information and HR documentation.

I am excited about the opportunity to join Accord Medical Supplies Limited and contribute to an efficient, organized, and people-focused Human Resources function. I would welcome the opportunity to discuss how my skills, experience, and strong work ethic can contribute to your organization.

Thank you for your time and consideration.

Sincerely,
Brian Njoroge Kimiri
