Dear Hiring Manager,

RE: Application for HR Assistant Position

I am writing to express my interest in the HR Officer position at Accord Medical Supplies. As a Human Resources professional with experience in recruitment, onboarding, employee records management, HRIS administration, leave management, payroll support, and HR compliance, I am excited about the opportunity to contribute to your organization. My academic background in Human Resource Management, coupled with practical HR experience in both international and public sector environments, has equipped me with the knowledge and skills required to excel in this role.

Currently, I serve as a Human Resources Assistant with the International Organization for Migration (IOM), where I support end-to-end recruitment processes, employee onboarding and separation, personnel records management, leave administration, HRIS data maintenance, and employee relations. I work closely with managers and staff to ensure timely and accurate HR service delivery while maintaining confidentiality and compliance with organizational policies and employment regulations. Through these responsibilities, I have developed strong communication, organizational, problem-solving, and stakeholder management skills that enable me to effectively support employees and business operations.

I am particularly attracted to this opportunity because it aligns closely with my experience and career aspirations in Human Resources. I am confident that my ability to manage HR processes efficiently, maintain accurate records, and build positive working relationships would enable me to make a valuable contribution to Accord Medical Supplies. I have attached my Curriculum Vitae for your consideration and would welcome the opportunity to discuss how my skills and experience can support your HR team. Thank you for your time and consideration

Yours sincerely,

David NGOMBARU
