The Hiring Manager.
Accord Medical Supplies Ltd.,

RE: APPLICATION FOR THE HUMAN RESOURCE ASSISTANT POSITION.

I recently came across the opening for the Human Resources Assistant position at Accord Medical Supplies Ltd. and was excited to see an opportunity that closely aligns with my experience in HR . In my previous role as a HR and administrative officer, I supported day-to-day HR operations including recruitment and onboarding, employee records, leave and attendance management, performance management, employee relations, policy implementation and general administration. I am also currently in the process of obtaining my CHRP certification, further strengthening my professional knowledge in human resource management.

Working closely with staff and management has also strengthened my ability to handle employee matters professionally and support a positive workplace environment.

After reviewing the job description, I believe my experience and skills would allow me to contribute effectively to your team. I have attached my CV for your review and would welcome the opportunity to discuss my profile further.

Kind regards,

Ida Wafula
