The Hiring Manager
Accord Medical Supplies Limited
Nairobi, Kenya

RE: APPLICATION FOR THE POSITION OF HR OFFICER

Dear Hiring Manager,

I am writing to express my interest in the HR Officer position at Accord Medical Supplies Limited. I am an experienced Human Resources professional with over 12 years of progressive experience across HR administration, recruitment, employee relations, onboarding, employee records, leave administration, payroll support, performance management and Labour-law compliance.

In my current position as General Manager | HR & Operations Lead at Uni-brain Industries Limited, I provide hands-on HR and operational support across the employee lifecycle. My responsibilities include recruitment and selection, onboarding, employee relations, performance management, employee records, payroll and leave administration, HR reporting, employee welfare and compliance with Kenyan employment legislation.

Previously, as Industrial Relations Manager at Sony Sugar Company Limited, I managed employee relations within a large unionized workforce and handled employee grievances, disciplinary cases, investigations, workplace disputes and employee welfare matters. I also advised management on employment law, HR policies and disciplinary procedures while supporting employee engagement and performance initiatives.

My earlier experience as a Recruitment Officer, Industrial Relations Supervisor and Senior Clerk provided strong practical exposure to recruitment, interviewing, onboarding, induction, personnel records, HR documentation, payroll support, leave administration, statutory compliance and HR information systems. I have hands-on experience using SAP HR/HRIS to maintain employee records and generate workforce and recruitment reports.

I hold a Bachelor of Commerce in Human Resource/Business Management, a Diploma in Human Resource Management and an ongoing MSc in Business Administration. I am also a member of the Institute of Human Resource Management (IHRM) and currently pursuing CHRP (Kenya).

I am particularly interested in this opportunity because it requires a practical HR professional who can provide reliable support to employees and management while maintaining accurate records, confidentiality, compliance and effective HR processes. I bring strong interpersonal, organizational, communication and problem-solving skills, together with extensive experience handling sensitive employee matters professionally and discreetly.

I would welcome the opportunity to contribute my HR experience, operational discipline and employee-focused approach to Accord Medical Supplies Limited. Thank you for considering my application. I look forward to the opportunity to discuss my suitability for the position.

Yours faithfully,

Stock Ochieng Ouma
