RE: APPLICATION FOR THE POSITION OF HR OFFICER

Dear Hiring Manager,

I am writing to apply for the HR Officer position advertised with Accord Medical Supplies Ltd. I hold a Bachelor's degree in Human Resource Management and have built hands-on HR experience through my current role as Human Resource Associate at Code Breeze Ltd, supported by an earlier HR internship - experience that has given me a solid, practical grounding in recruitment, onboarding, employee records and leave management, and day-to-day employee relations.

In my current role, I support the full recruitment cycle from job advertisement and initial screening through to interview coordination and onboarding, maintain employee records and personnel files, and track attendance and leave in line with company policy. I regularly act as a first point of contact for routine employee relations matters, applying sound judgement and discretion, and escalating complex issues appropriately. I am also comfortable coordinating independently across departments and supporting the implementation of workplace policies and compliance requirements.

I bring strong organisational and communication skills, a genuine commitment to handling confidential information professionally, and the problem-solving mindset needed to resolve HR matters fairly and promptly. I am proficient in Microsoft Office and comfortable learning new HR systems, and I am confident I would settle quickly into your team's HR function.

I would welcome the opportunity to discuss my application further. My CV is attached for your review, and I am available for an interview at your convenience. Thank you for considering my application.

Yours faithfully,

Eunice Wairimu Sokoto
