The Hiring Manager,
Accord Medical Supplies Limited,
Nairobi, Kenya

Dear Hiring Manager,

I am writing to express my enthusiastic interest in the Human Resource Assistant position at Accord Medical Supplies Limited, as advertised. With a Bachelor of Business Administration majoring in Human Resource Management from Africa International University and hands-on operational experience supporting HR functions in Nairobi, I am eager to bring my commitment, administrative precision, and organizational skills to your dynamic team.

During my recent HR internship at Nazigi Sacco Society Ltd, I gained invaluable practical experience in core personnel operations. My responsibilities included managing comprehensive employee records, facilitating recruitment processes, and assisting with seamless onboarding support for new hires. This background equipped me with a strong foundation in maintaining compliance, handling confidential employee documentation, and supporting daily HR administration. Furthermore, my proficiency in data analytics tools such as Microsoft Excel and Power BI enables me to manage workforce metrics, streamline reporting, and support data-driven decision-making within the department.

Beyond administrative execution, my academic background includes authoring a specialized university research thesis analyzing the influence of nonfinancial rewards on employee motivation and retention. This research deepened my understanding of organizational culture, employee engagement strategies, and retention drivers—insights that I am excited to apply to help Accord Medical Supplies Limited cultivate a highly motivated, stable, and high-performing workforce.

I am deeply inspired by Accord Medical Supplies Limited's commitment to excellence and healthcare delivery in the region. I welcome the opportunity to discuss how my dedication, HR training, and operational capabilities align with the goals of your team. Thank you for your time and consideration.

Yours sincerely,

Gacao Joekamau
