WORK EXPERIENCE

Human Resource and Administration Assistant | NSSF SACCO SOCIETY LTD | April 2025 to Date

- Coordinated day-to-day human resource operations, including recruitment, onboarding, employee record management, and staff lifecycle administration.
- Managed payroll processing, leave administration, and employee benefits coordination in collaboration with the Finance Department to ensure accuracy and compliance.
- Ensured adherence to Kenyan labor laws, statutory requirements, and organizational HR policies and procedures.
- Served as the primary point of contact for employee inquiries, fostering positive employee relations and promoting a productive work environment.
- Supported disciplinary processes, grievance handling, and performance management initiatives in accordance with organizational policies.
- Coordinated staff training and development programs, including scheduling, participant tracking, and maintenance of training records.
- Maintained and updated the Human Resource Information System (HRIS), ensuring the confidentiality, accuracy, and integrity of employee data.
- Supported the implementation of internal communication initiatives and employee engagement programs to enhance staff morale and organizational culture.

- Prepared HR reports, records, and documentation to support audits, management decision-making, and regulatory compliance requirements.
- Managed executive calendar scheduling, coordinated meetings, and ensured efficient administration of the CEO's office.
- Prepared, distributed, and maintained meeting agendas, minutes, and action trackers to support effective decision-making and follow-up.
- Oversaw office administration functions, including procurement and inventory management of office supplies and equipment.
- Coordinated the renewal of business permits, licenses, and other statutory compliance requirements.
- Facilitated the industrial attachment and internship programme, including recruitment, onboarding, supervision, and performance monitoring of interns.
- Performed additional administrative and human resource duties as assigned in support of organizational objectives.
- Coordinated end-to-end recruitment activities, including job advertising, candidate sourcing, screening, interview scheduling, and onboarding of new employees.
- Facilitated employee orientation and induction programs to support seamless integration and engagement of new hires.
- Maintained accurate and confidential employee records, ensuring compliance with labor laws, organizational policies, and data protection standards.
- Served as the first point of contact for employee inquiries, providing timely guidance and support on HR-related matters.
- Implemented employee engagement initiatives and wellness programs aimed at enhancing staff morale, productivity, and retention.
- Supported performance management processes, including probation reviews, performance evaluations, employee feedback, and development planning.
- Contributed to the development, implementation, and review of HR policies, procedures, and strategies aligned with organizational objectives and statutory requirements.
- Administered employee benefits programs, including enrollment, updates, and resolution of employee queries.
- Prepared, analyzed, and maintained HR reports and metrics relating to attendance, turnover, recruitment, training, and workforce planning.
- Managed employee relations matters, including grievance handling, conflict resolution, disciplinary processes, and provision of advisory support to staff and management.
- Provided comprehensive HR administrative support across departments, ensuring efficient delivery of HR services and adherence to established procedures.
- Maintained and updated HR databases and systems, including recruitment trackers, grievance logs, applicant flow records, and Human Resource Information Systems (HRIS).
- Collaborated with departmental heads to analyze performance appraisal outcomes, identify training needs, and coordinate staff learning and development initiatives.
- Managed employee contract administration, including preparation, renewals, confirmations, and compliance monitoring.
- Supported internal and external HR audits by preparing required documentation, reports, and compliance records.
- Ensured compliance with statutory obligations by managing payroll-related deductions, remittances, and maintenance of relevant records.
- Administered staff medical insurance schemes and provided support in addressing employee health and benefits-related concerns.

- Identified and monitored HR risks, providing timely recommendations to mitigate potential operational and compliance issues.
- Administered leave management processes and provided guidance to employees on leave policies and entitlements.
- Assisted in employee separation processes, including preparation of exit documentation, clearance procedures, and final settlements in collaboration with senior HR management.
