The Human Resource Manager

Accord Medical Supplies Ltd

Nairobi, Kenya

RE: APPLICATION FOR THE POSITION OF HR OFFICER

Dear Hiring Manager,

I am writing to express my interest in the HR Officer position at Accord Medical Supplies Ltd, as advertised. I hold a Bachelor of Science in Human Resource Management from Kirinyaga University and have over seven years of progressive experience in human resource and administration, with hands-on experience in HR operations, employee relations, recruitment, onboarding, employee records, leave and attendance management, performance management and HR reporting.

In my current role as a Human Resource Officer (HR Generalist) at Woodnork Green, I provide day-to-day HR support to employees and management and handle a wide range of employee lifecycle activities. My responsibilities include coordinating recruitment and selection, interview scheduling, onboarding and induction, maintaining confidential employee records, managing attendance and leave administration, supporting performance appraisal processes and preparing HR reports and workforce information.

I also have practical experience supporting employee relations, disciplinary and grievance processes, and workplace issue resolution. I respond to employee enquiries and concerns professionally, facilitate communication between employees and management, maintain appropriate documentation and ensure sensitive employee information is handled with confidentiality and discretion. My previous experience as a Human Resource Assistant at Flamingo Horticulture further strengthened my skills in HR administration, payroll support, recruitment, employee records and workplace processes.

I am proficient in Microsoft Excel, Word, PowerPoint, HR Information Systems (HRIS) and payroll administration systems. I am particularly attentive to accuracy in employee data, documentation and reporting, and I am comfortable coordinating with different departments to ensure HR processes are completed efficiently and professionally.

I am attracted to this opportunity because it aligns closely with my HR generalist experience and provides an opportunity to contribute my skills in employee support, recruitment, HR administration, workplace compliance and people management within Accord Medical Supplies Ltd. I am confident that my experience, professionalism, confidentiality and strong interpersonal skills would enable me to contribute effectively to your organization.

I would welcome the opportunity to discuss how my experience and skills can support the HR function at Accord Medical Supplies Ltd. Thank you for considering my application. I look forward to hearing from you.

Yours faithfully,

EUNICE MUTHONI MUGOCHUKU
