Dear Madam/sir

REF: Application For Human Resource Job.

I am Nyanje Mercy Njeri a graduate from St Paul's University Limuru Campus where I pursued a Bachelor's Degree in Business Administration and Management Specializing in Human Resource Management with a Second Class Honors Upper Division. I also have a diploma in Project Planning and Management from Marist International University College a constituent of Catholic University of Eastern Africa. Am currently pursuing a professional course in human resource management CHRP at College of Human Resource Management. I am also an Associate Member of IHRM 16811 and I have a certificate in Human Resource Management. I am currently pursuing Masters degree in business administration management specializing in human resource management am currently doing my thesis.

I am writing to apply for the above-mentioned position in your prestigious firm. I feel I have the required academic qualifications and my human resource and administration experience aligns with your firm needs and position requirements. I am a positive, self-motivated person, with an ability to communicate with both my co-workers and customers professionally, efficiently and with a great team oriented attitude.

I have a well-rounded skill set in human resource duties, office administration, customer service, and honored talents in business administration, database management, human resource information system and employee record maintenance. My previous roles have strengthened my capabilities in human resource, administration customer service, communication and leadership, including a keen attention to detail and accuracy.

I have learnt quite a lot on administration, record keeping, customer service and human resource but I still feel the need to learn more and your firm is the perfect place to learn and as well become a valuable asset to your firm. I am excited at the prospect of bringing my talents to your firm.

Yours Faithfully

M n
