Dear Sir/Madam,

I am trained for a three (3) years diploma course in Labour Studies and Management at the Kenya Polytechnic University College.

I was also examined and certified by the Kenya National Examination Council and awarded a National Diploma of the same course at their Nairobi Examination Centre.

This course provides one with skills on ways of managing workforce efficiently for better productivity in a work place free of industrial disputes and conflict.

These skills includes:-

- Labor and industrial law
- Labor and industrial relations
- Human resources management
- Labor economics
- Sociology in work place
- Trade union involvement

I has also covered certificate in computer applications in all Microsoft office packages.

I have enclosed my CV and copies of certificate for your perusal and records.

I remain sir,

Yours sincerely,

STEPHEN J. MWANGI
